ABOUT THIS PROPERTY

Radiant on Richmond! Welcome to Suite 1416 at Space Lofts, a bright one-bedroom perched on the 14th floor with a completely unobstructed south view of the downtown skyline. Floor-to-ceiling windows pull light across the open-concept living space all day long, framed by the exposed concrete and clean loft lines this Triloft building has been loved for. Updated floors run throughout, and a full set of new appliances means the big purchases are already done. The layout lives larger than its footprint: a proper bedroom, a functional kitchen open to the living area, and a wall of glass that turns the city into your artwork. Space Lofts backs it up with a gym, sauna, party room, guest suite, visitor parking and bike storage. Out the front door you are steps to St. Lawrence Market, the King East Design District, the Distillery District, and every streetcar you could need, with the future Ontario Line station one block away. First-time buyers, pied-à-terre hunters and investors: this is the south-facing loft view everyone asks for, at the quiet east end of downtown.
