ABOUT THIS PROPERTY

Penthouse living on one of Yorkville's most sought-after streets. This 1,080 sq ft suite sits at the top of a boutique building on Scollard Street, two blocks from Yonge/Bloor subway and surrounded by the best the city has to offer. True 10-foot ceilings throughout, a smart split-bedroom layout that gives both bedrooms genuine privacy, and an 87 sq ft east-facing terrace with unobstructed views over the Rosedale Valley. Inside, the suite is well-configured: an open living and dining area with floor-to-ceiling windows, a full kitchen, two four-piece bathrooms, and a den with a window that comfortably functions as a third bedroom or dedicated home office. The walk-in closet off the primary bedroom adds practical storage that most units at this size lack. Ensuite laundry, central air conditioning, and a second north-facing balcony complete the picture. Maintenance fee of \$1,052/month covers heat, water, central air conditioning, building insurance, and one underground parking space and locker, both owned. Property is currently tenanted - ideal for an investor seeking an income-generating Yorkville asset, or an end-user planning possession on a 60-89 day timeline.
