ABOUT THIS PROPERTY

Fully updated, move-in ready 1000+ sq foot penthouse unit with no wasted space. Boutique building with fewer than 40 units for ultimate privacy and quietude. Full-sized, renovated kitchen with plenty of cabinet space, sleek quartz countertops, and double-undermount sinks. 10-foot ceilings and large windows in family room and bedrooms bring in an abundance of natural light throughout the day. Split bedroom and den (large enough to double as a 2nd full-sized bedroom) enables multiple uses. Primary bedroom easily accommodates a king bed+. Spacious dining room for entertaining family and friends. Bonus proximity right next door to stairwell leading to expansive rooftop patio - effectively your own enormous terrace, as it is rarely used by other residents - set up your own loungers and patio set and enjoy! In-suite, full-sized laundry with additional storage. 1 prime parking space and locker included. Steps to places of worship, Glencairn subway, shops, and so much more. Sabbath elevator available.
