ABOUT THIS PROPERTY

Come home to one of the city's most stunning architectural masterpieces. Set within an intimate boutique building of just seven exclusive residences, this design-driven loft offers discretion and privacy just steps from Toronto's most iconic neighbourhoods, including The Annex, Yorkville, and Casa Loma. Positioned on the top floor and defined by dramatic 15-foot ceilings, this showpiece lives more like a private home than a condominium. The extraordinary space is anchored by a sleek gas fireplace and wrapped in floor-to-ceiling windows that flood the interior with natural light. Clean lines, voluminous proportions, and an effortless open-concept layout create an atmosphere that is both refined and inviting. The Schiffini chef's kitchen is contemporary and functional, featuring an oversized island with extensive integrated storage and a full suite of top-of-the-line Miele appliances. Designed for both elevated entertaining and everyday living, it seamlessly anchors the main living area. Two generously sized bedrooms each feature a private ensuite, providing rare symmetry and privacy. The primary suite is a true retreat, complete with a large walk-in closet and a spa-caliber bath featuring a deep soaker tub, steam shower, and floor-to-ceiling tile detailing. A beautifully appointed powder room adds convenience for guests. Outdoor living includes a private balcony plus two Juliet balconies, enhancing the indoor-outdoor flow and reinforcing the loft's airy, architectural presence. Professionally curated throughout, the residence perfectly blends authentic industrial character with elevated modern finishes. Two parking spaces and a large private locker complete this exceptional offering. For those with refined taste seeking a truly unique space to live and entertain, this property is a dream come true.
