ABOUT THIS PROPERTY

They don't make family-sized homes like this anymore! This 825 sq ft, 2-bedroom, 2-bathroom condo (plus a 45 sq ft balcony) features a well-thought-out layout with ample storage and a desirable split-bedroom design. Recent upgrades include fresh paint (2026), updated flooring (2025), and a newer washer/dryer (2024).The living room/dining room features a functional L-shape layout centred around the heart of the home: the kitchen, complete with a kitchen island. The home faces east for the morning sun and offers tons of storage, including a deep coat closet, a linen closet, a wall-to-wall closet in the second bedroom, and two XL closets in the primary suite. Residents enjoy an amenity-rich building, including 24-hour concierge/security, a full-sized gym, a yoga room, and a co-ed sauna and steam room. In the summer, enjoy all the rooftop patio has to offer, including a swim spa, a hot tub, multiple patios, and communal BBQs, all overlooking the city skyline and the CN Tower. Additional building amenities include a party room, movie room, cards room, guest suites, bike storage, and ample visitor parking. Excellent location, walking distance to St. Lawrence Market, the King East design district, Old Town Toronto, St. James Park, and the beautiful Allan Gardens Conservatory.
