ABOUT THIS PROPERTY

A rare King East offering: this custom 1,788 sq. ft. corner residence was created by combining two suites pre-construction, delivering the space, privacy and proportions of a home. Floor-to-ceiling windows capture natural light and unobstructed southwest skyline views, while three walkouts lead to an approximately 525 sq. ft. private terrace with 2 gas connections. The split-bedroom layout features two bedrooms, a dedicated den, two full bathrooms, powder room and separate laundry room. The private primary retreat occupies the entire footprint of the original adjoining suite and includes a luxurious Italian limestone ensuite with freestanding tub and ceiling-mounted rain shower. Refined details include a gas range, wet/wine bar, extensive custom millwork and striking 8-foot solid-core quarter-sawn white oak doors with matching baseboards. Complete with two side-by-side parking spaces and an extra-large locker, this exceptional Corktown residence offers a level of space, craftsmanship and outdoor living rarely found downtown.
