ABOUT THIS PROPERTY

This is a truly special suite, offering several rare advantages that distinguish it from others. Ideally situated on the fourth floor, it provides easy access for those seeking the ease of condo living while appreciating the flexibility of reaching home by either the stairs or the elevator. Even more exceptional, the underground parking space is located on the same level as the suite, a rare and incredibly convenient feature. Residents of 33 Harbour Square tend to settle in and stay long term, which is a testament to the incredible sense of community spirit, the wonderful location and fabulous amenities- including a pool, expansive gym, rooftop gardens, squash courts and more! The suite boasts a spacious upper level that welcomes you with a generous foyer, a stylish powder room, and bright, southeast-facing living, dining, and kitchen spaces filled with natural light. Beautiful parquet floors add warmth, character, and timeless appeal throughout. The lower level features two generously sized bedrooms, including a spacious primary suite with a three-piece ensuite, a well-appointed four-piece bathroom, a versatile den ideal for a home office or reading nook, and excellent storage. One underground parking space is included, and the maintenance fees conveniently cover all utilities.
