ABOUT THIS PROPERTY

Frank Lloyd Wright-inspired and backing directly onto the serene Otter Cres. ravine, this architecturally distinctive multi-level residence offers approximately 4,600 sq. ft. of beautifully designed living space, blending cottage-like tranquility with the convenience of city living. This exceptional 4-bedroom plus loft, 5-bathroom home features dramatic 12-foot ceilings, expansive windows framing breathtaking treetop views, hardwood flooring, a striking open-riser wood staircase with custom geometric balustrades, and a stunning stained-glass feature. Spacious principal rooms are ideal for entertaining and everyday family living, while the private primary suite offers woodland views, a spa-inspired ensuite, and generous his-and-hers closets. A charming bedroom with a private balcony and loft creates the perfect retreat for children or guests. The bright walkout lower level features a recreation room with fireplace, second kitchen, bedroom/den, and direct access to beautifully landscaped gardens, making it ideal for in-law or multi-generational living. Nestled on a secluded cul-de-sac, moments from top-rated public, Catholic, and private schools-including Havergal College-premier Jewish day schools, parks, boutique shopping, fine dining, and transit. A rare opportunity to own one of Toronto's most distinctive ravine residences.
