ABOUT THIS PROPERTY

Built by renowned Toronto custom home builder Walscon, this 4+1-bedroom, six-bathroom residence sits on a 40-by-132-foot lot and reflects extraordinary craftsmanship and attention to detail. The spacious foyer introduces soaring ceilings and crown moulding, establishing the home's refined yet welcoming character. The formal living room, anchored by a gas fireplace with a traditional wood mantel, flows effortlessly into the coffered-ceiling dining room, where a wall of white oak cabinets provides generous storage. A private French-door office and main-floor powder room add flexibility. A server's pantry connects the dining room to the heart of the home: a beautifully appointed kitchen with marble countertops, top-tier appliances, two sinks, two dishwashers and an oversized white oak island with breakfast-bar seating, creating an ideal kosher kitchen. A walk-in pantry adds further convenience. The kitchen opens to a sun-filled breakfast room framed by a bay window, with seating for up to eight and views over the backyard, while the adjoining family room features a marble fireplace flanked by custom white oak cabinetry and walkouts to the elevated deck. Upstairs, four generous bedrooms are complemented by a spacious laundry room and beautifully finished bathrooms. The primary suite offers a fireplace, custom-fitted walk-in closet and luxurious six-piece marble ensuite. Bedrooms Two and Three share a five-piece semi-ensuite, while Bedroom Four enjoys its own three-piece ensuite. The bright lower level, enhanced by extra-high ceilings and above-grade windows, offers a recreation room, second kitchen with separate entrance, guest bedroom, three-piece bathroom, additional powder room, excellent storage and direct access to the two-car garage-ideal for guests or extended family. Exceptional value in family-friendly Englemount-Lawrence, close to schools, parks, shopping and transit.
