ABOUT THIS PROPERTY

Welcome to 39 Apollo Drive in Denlow Estates. Named for the year of the first moon landing, 39 Apollo Drive has been owned and lovingly maintained by the same family since 1969. For 57 years, its doors have opened to friends and generations of family. Now this much-loved home is ready for its next chapter. Set on a quiet street with many longtime neighbours, this five-bedroom, four-bathroom home offers generous space for everyday living and large gatherings. The primary bedroom has an ensuite bath and large walk-in closet; the home also features a second full bath, two powder rooms, two working wood-burning fireplaces and a spacious two-car garage. A beautiful four-seasons sunroom addition, with its newly installed luxury vinyl flooring, is a favourite place to settle in and watch the birds, especially cardinals, visiting the backyard. Heating and air conditioning temperature controls make it a comfortable year-round oasis. Downstairs, the finished basement brings distinctive mid-century character and more room to entertain. Hardwood flooring lies beneath the carpeting on the main and upper floor, while period details throughout reflect the home's history of quality features to build upon. Highly-rated Denlow Public School, Banbury Community Centre and its tennis facilities, Winfields Park, Edwards Gardens, Shops at Don Mills and public transit , 401, DVP and North York General Hospital are all nearby. Warm, spacious and full of memories, 39 Apollo Drive is ready to welcome home its new owners!
