ABOUT THIS PROPERTY

Proof that great living isn't about square footage. It's about every inch pulling its weight, and here, every inch does. The open-concept layout is smart from wall to wall. No wasted hallway, no dead corners, no mystery nook. Just one clean, flexible space you set up the way you actually live. The light pours in. The kind that makes mornings easier and houseplants suspiciously happy. The kitchen is full size. Not a kitchenette, not a hot plate and a hopeful attitude. A real kitchen, which matters when one of the world's best food markets is down the street. The bathroom is full size too. Step outside and St. Lawrence Market is a short stroll for Saturday peameal sandwiches. St. James Park is around the corner, the King streetcar runs along your block, and the Distillery District is close enough for a weeknight patio. Studio living, done right. Welcome home.
