ABOUT THIS PROPERTY

A rare terraced offering at the coveted DNA3 Condos - one of only a handful of two-storey loft-style residences in the building. Soaring 9-to-18-foot exposed concrete ceilings and dramatic floor-to-ceiling windows anchor the space, finished throughout in rich, deep-toned laminate. The kitchen features quartz counters, built-in high-end stainless steel appliances, and a seated centre island, flowing seamlessly into an open-concept living and dining area - ideal for entertaining. A spa-like powder room adds convenience on the main level. Step out to a generous terrace with a gas BBQ hookup and east-facing sunrise views over the landscaped sundeck. Upstairs, the loft-style primary suite overlooks the living space through a glass railing and two-storey windows, complete with a double closet. A light-filled den - perfect as an office, studio, or nursery - sits alongside a spa-inspired 4-piece bath with a 2-in-1 shower/tub and rainfall head. Ensuite laundry and parking included. A true architectural statement in one of the city's most sought-after addresses.
