ABOUT THIS PROPERTY

Luxury Living at Concord Canada House | Stunning Lake & Skyline Views Experience sophisticated urban living at Concord Canada House, an exceptional one-bedroom plus den residence in the heart of downtown Toronto. This nearly new condominium offers 578 sq. ft. of thoughtfully designed interior space, complemented by a spacious 120 sq. ft. heated balcony, creating the perfect blend of comfort, functionality, and modern luxury. Beautifully laid out and exceptionally functional, this suite features a generously sized living room that offers plenty of space for comfortable lounging and entertaining. The stunning balcony is a true highlight, offering breathtaking water views and a spectacular city skyline, especially magical at night when Toronto comes alive with sparkling lights. The versatile den features a full door for complete privacy, making it ideal as a dedicated home office, a private study, or even a cozy guest sleeping area with a single bed. The suite also boasts a generously sized entryway, offering excellent potential to create a stylish and welcoming foyer with a statement console table, decorative mirror, elegant shoe cabinet, and thoughtfully designed storage. Premium Miele appliances and contemporary finishes elevate the modern interior, while the south-facing exposure fills the space with natural light. Residents enjoy world-class amenities, including the spectacular 82nd-floor Sky Lounge, Sky Gym, indoor swimming pool, ice skating rink, and touchless car wash. Ideally situated just steps from the CN Tower, Rogers Centre, Scotiabank Arena, Union Station, the Financial District, and Toronto's vibrant waterfront, this exceptional residence places the very best of downtown living right at your doorstep. A rare combination of smart layout, versatile living space, breathtaking views, and luxurious amenities in one of Toronto's most sought-after addresses.
