ABOUT THIS PROPERTY

Most condos give you a balcony. This one gives you a backyard in the sky. Welcome to DNA 3, where soaring 9 ft ceilings and an open-concept layout bring the living, dining and kitchen together in one bright, easy-flowing space. The kitchen keeps everything within reach for weeknight cooking, and the living area walks straight out to the west-facing terrace. Afternoon sun, sunset views over the city and a built-in gas line for BBQs make this the kind of outdoor space that becomes your favourite room from spring through fall. The bedroom sits comfortably apart from the main living area for a quiet place to unwind, with the bathroom conveniently close by. Parking is included, a genuine advantage in this part of the city. This building is equipped with amenities residents actually use: a well-equipped fitness centre, yoga studio, games room with pool table, media room, bike storage and ample visitor parking. Step outside, and Liberty Village and King West are right at your door, with a Walk Score of 95. The King streetcar is steps away, Exhibition GO is a short walk, and the Gardiner is minutes by car. Grocery stores, coffee shops, fitness studios and some of the city's best restaurants are all close by, with Trinity Bellwoods Park, the Ossington and Queen West strips an easy stroll or bike ride away. A rare private terrace, parking included, and one of Toronto's most walkable neighbourhoods. You don't want to miss this opportunity!
