ABOUT THIS PROPERTY

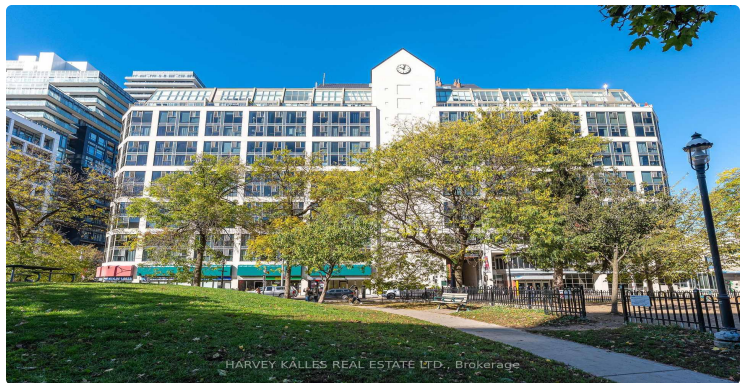

Welcome to Yorktown on the Park, a beautifully renovated home in the heart of Toronto's vibrant St. Lawrence neighbourhood. Suite 214 offers 814 square feet of designer-inspired living, thoughtfully updated from top to bottom & not lived in since the renovations were completed. Be the first to enjoy its fresh finishes. Designed for comfort and effortless entertaining, the open-concept living space is anchored by a chef's kitchen with striking finishes and room to gather. A large island, quartz countertops, a matching quartz backsplash and a waterfall breakfast bar create a cohesive focal point. New stainless steel appliances and pendant lighting complete the space, suited to a quiet morning coffee or an evening with friends. Large windows welcome natural light, enhancing the suite's fresh, inviting atmosphere. The split-bedroom floor plan provides welcome separation and flexibility, while a four-piece bathroom and in-suite laundry bring ease to daily routines. From the considered layout to the renewed finishes, this is a home designed to feel as good as it looks. Enjoy the reassurance of a 24-hour concierge, an on-site fitness room and guest suites for visiting family and friends. A landscaped, two-level courtyard with a fountain offers a peaceful setting to unwind, a lovely counterpoint to the city beyond. Set along David Crombie Park, Yorktown on the Park places the best of the neighbourhood within easy reach. Stroll to the Distillery District's restaurants and shops, browse the St. Lawrence Market or head downtown for an evening out. With trails, parks, transit and the St. Lawrence Community Recreation Centre at your doorstep, the setting brings together urban convenience and a genuine sense of community. Come for the suite, then walk the area and imagine calling Yorktown on the Park home.
