ABOUT THIS PROPERTY

Good things come to those on Bathurst. Forget the usual downtown footprint. This unique townhouse with over 1,300 SqFt offers the kind of space and separation that's hard to come by in the city. Perfectly tucked in between a heritage church and the highly in demand St. Mary's elementary school, you've found a peaceful pocket in an otherwise bustling neighbourhood. Featuring two bedrooms plus a den and a separate family room (allowing for an easy conversion to a third bedroom nudge, nudge). Whether you need a home office, a movie night hangout, or room to grow, there's space to make it your own. The fully renovated and freshly painted interior brings a modern feel to a home that's full of personality. The layout offers flexibility and privacy, giving you room to spread out, entertain friends, and unwind outdoors on your secluded balcony. Two private entrances at the front and rear of the home offer added privacy and everyday convenience. Step outside and you have King West in one direction and Queen West in the other, where neighbourhood favourites and some of the city's best dining is right on your doorstep. From the gem that is Campechano when you're craving tacos, comfort food at Chubby's Jamaican Kitchen, and crave-worthy slices from Beast Pizza (a local lineup that never disappoints). Independent cafés and lively patios are all part of the daily routine. The amenities offered at Adelaide Square are designed for the social side of life. Cancel your gym membership with the fully equipped fitness facility and entertain friends and colleagues in the meeting room and party room with its interlocking patio and bbq area. With well loved local parks nearby, streetcar service at the corner and King Station (coming soon!), getting around the city is refreshingly simple. More space, more privacy, and a lot of city life right outside your door. Come see what makes this townhouse different.
