ABOUT THIS PROPERTY

Tucked into a boutique Midtown building, Suite 402 is a thoughtfully laid-out one-bedroom plus den, set on the quiet west side with leafy canopy views. The suite has been newly renovated throughout, with new flooring, fresh paint and updated lighting. The kitchen is the centrepiece: new cabinetry and a quartz waterfall on kitchen counter with breakfast seating, plus room for a proper dining table. The generously proportioned bedroom offers a walk-in closet and its own treetop outlook. The den makes an ideal home office. Step out to your private balcony and enjoy your morning coffee among the trees. The suite is move-in ready, and a coveted parking spot and locker are included. The shops, restaurants and subway at Yonge and Eglinton are just a short stroll away.
