ABOUT THIS PROPERTY

Beautifully designed and exceptionally well located, this spacious 1 Bedroom + Den offers approximately 601 sq. ft. of intelligently planned living space, complemented by an east-facing balcony, underground parking and an owned oversized locker - valuable features that are increasingly difficult to find downtown. The bright, open-concept interior combines contemporary style with everyday functionality. A sleek modern kitchen features quartz countertops, full-sized stainless-steel appliances, built-in microwave and generous cabinetry, flowing naturally into the living and dining area - perfect for entertaining or unwinding at the end of the day. The separate den provides valuable flexibility for a home office, study, guest space or additional storage, while the east exposure welcomes beautiful morning light without the intense late-day heat often associated with west-facing downtown suites. Enjoy beautiful morning light from the east exposure without the intense late-day heat of west-facing suites. Step outside and immerse yourself in everything that makes King West one of Toronto's most desirable urban neighbourhoods - acclaimed restaurants, cafés, nightlife, boutique shopping, The Well, entertainment and the waterfront are all within easy reach. Rogers Centre, Scotiabank Arena and Toronto's major cultural destinations are minutes away, while the future King-Bathurst Ontario Line station adds another significant layer of connectivity and long-term appeal. Musée delivers the full downtown lifestyle with impressive resident amenities including 24-hour concierge, fitness facilities, outdoor pool, rooftop terrace, hot tubs, party/meeting room and more. Whether you're searching for your own sophisticated downtown residence, a pied-à-terre, Suite 1020 offers the rare combination of lifestyle, location, parking, storage and flexibility.
