ABOUT THIS PROPERTY

Bright, character-filled upper unit for lease on Dundas East, right in the heart of downtown. High ceilings, large windows and updated flooring throughout give the space an open, easy feel, and the layout makes good use of every square foot. The kitchen is well equipped with a full-size fridge and stove. The location does a lot of the work here. The Dundas streetcar stops at your door. You're minutes from universities, major hospitals, the Eaton Centre and the Financial District, with local cafés, restaurants and shops all around you. It's a great fit for students, young professionals, or anyone new to the city who wants to be close to everything.
