ABOUT THIS PROPERTY

A RARE CORNER LOFT WITH DRAMATIC 17-FOOT WINDOWS | LIBERTY MARKET LOFTS * This rarely offered corner loft at Liberty Market Lofts pairs dramatic 17-foot windows, soaring exposed concrete ceilings and southwest corner exposure to create a home filled with natural light, architectural character and an unmistakable sense of volume. * The distinctive two-level layout makes the most of its approximately 715 sq. ft. of interior space, with an open-concept living area below and a bedroom overlooking the space above. Two bathrooms add everyday convenience, while the chef-inspired kitchen features built-in appliances, cooktop, oven, microwave and dishwasher. * Step outside to your private 45 sq.ft. balcony and enjoy the southwest setting. Inside, the combination of double-height windows, exposed concrete and loft-style architecture delivers the kind of character that conventional condo layouts simply can't replicate. * Set in the heart of Liberty Village, just steps from neighbourhood cafés, restaurants, shops and local favourites, with convenient access to GO and TTC transit, King West and the waterfront. * Architectural character. Exceptional natural light. A true two-level loft. A distinctive Liberty Market Lofts residence for those looking for something beyond the ordinary condo.
