ABOUT THIS PROPERTY

Forget the typical cookie-cutter shoeboxes built downtown. Built by Plaza Corp, King West Condominiums at 75 East Liberty Street is legendary for functional, square layouts that actually let you move. Unit 2009 gives you an elite 1-bed plus den space where every single square foot works. The layout is masterfully planned: a sharp primary bedroom, a pristine 4-piece washroom, and a versatile, full-sized den featuring its own rare built-in closet-your future executive workspace or creative studio. The open kitchen comes locked and loaded with premium stainless steel appliances, opening right up to incredible, unobstructed lake views. Parking and a secure locker are already included. The building sets the bar for premium lifestyles with a massive 20,000 sq. ft. resort-level amenity package. We are talking a two-lane bowling alley, a 30-seat movie theater, a golf simulator, a rooftop lakeview lounge, an indoor pool, a hot tub, a gym, a party room, and quiet reading spaces. But the real magic happens when you step outside. The human energy of Liberty Village is raw and completely electric. This neighborhood is an absolute powerhouse. You are instantly plugged into a walkable ecosystem of tech offices, artisan cafes, local craft breweries, boutique retail, and the best casual dining spots in Toronto. Need everyday conveniences? The Metro grocery store and the Liberty Market Building are practically your neighbors.
