ABOUT THIS PROPERTY

Welcome to 381 Front St W, a beautiful building with two bedrooms, a den with its own door and two full bathrooms, all just steps from the CN Tower and Rogers Centre. Floor-to-ceiling windows fill the open layout with natural light. The den closes off from the rest of the suite, so it works as a true home office or guest room.For a first-time buyer, this is room to grow without giving up a downtown address. Investors get a layout with broad appeal to renters: two full bathrooms suit roommates, while the den gives a couple a dedicated place to work from home. Trendy restaurants, cafes and entertainment are all around you, with Toronto's biggest landmarks practically next door.Book your private showing for this beautiful suite and live right in the heart of Downtown!
