ABOUT THIS PROPERTY

An exceptional opportunity to acquire A Plus Cut, a well-established and profitable hair salon that has operated under its current name for over 42 years. The owner has proudly served the local community for more than 50 years, building an outstanding reputation and an exceptionally loyal, multi-generational clientele. Families have returned for decades, with parents introducing their children and grandchildren, creating a strong foundation of repeat business while new customers continue to discover the salon through its excellent reputation and word-of-mouth referrals. Ideally situated at the highly visible intersection of Danforth Avenue and Main Street, the salon enjoys outstanding exposure, heavy pedestrian and vehicle traffic, and excellent access to public transit. Surrounded by high-rise condominiums, apartment buildings, established neighbourhoods, and a vibrant mix of retail and service businesses, the location provides a steady flow of both loyal and walk-in clientele. Operating successfully in an area with limited direct competition, this turnkey business offers stable income, an established brand, and excellent potential for an owner-operator or investor looking to continue a respected legacy in one of Toronto's busiest commercial corridors.
