ABOUT THIS PROPERTY

Welcome to 33 Jeanette Street, a well-built solid brick retro bungalow tucked into Scarborough's sought-after Cliffcrest neighbourhood near St. Clair and Midland. Set in a welcoming, family-friendly community, this home offers everyday convenience with nearby schools like R.H. King Academy, restaurants, shopping, and Jeanette Park just steps away with the park featuring a large playground and plenty of seating for caregivers. Inside, the main level offers three bedrooms, one bathroom, a combined living and dining area, and an eat-in kitchen ready for your personal touch. A long private driveway provides parking for four to five vehicles, while the side entrance offers separate access to the basement - an excellent opportunity for extended family, future flexibility, or additional living space. The lower level adds a touch of retro charm with a built-in bar, wood-burning fireplace, wood-look panelling, and ceramic tile floors-ideal for a recreation room, lounge, hobby space, or renovation vision. Outside, enjoy a large 40' x 142' lot with no large trees and no easements and a partially fenced backyard, storage sheds and plenty of green space for gardening, play, entertaining, or simply relaxing outdoors. Commuters will appreciate the easy 11-minute walk to the GO Transit station, while nature lovers are only a 6-minute drive from the scenic Scarborough Bluffs Park. With a solid structure, practical layout, generous lot, and excellent location, 33 Jeanette Street is full of potential and ready for its next chapter.
