ABOUT THIS PROPERTY

****Open House, Sunday, October 18, 2-4 pm**** All the possibilities of tomorrow, with a little charm from yesterday. Welcome to 139 Elinor Avenue, a quaint all-brick bungalow sitting on an incredible 52 x 219 ft lot - the kind of property that's getting harder and harder to find in the city. There's something wonderfully nostalgic about this home. From morning coffee on the covered front porch to the original little milk door tucked into the brickwork, it has reminders of a simpler time. Inside you'll find 3 bedrooms, a full finished basement and plenty of opportunity to make the space your own. The separate side entrance adds another layer of possibility for those considering a future in-law suite or additional living space downstairs. Outside, the remarkably deep lot gives you room to dream, with mature privacy hedges, a garden shed, detached garage and a long paved driveway with parking for several vehicles. This isn't a home pretending to be brand new and that's part of its appeal. Renovate it. Reimagine it. Add your own style and make it yours. Whether you're looking for a way into an established Toronto neighbourhood or searching for a property with land and long-term potential, this may just be the opportunity you've been waiting for.
