ABOUT THIS PROPERTY

Welcome to 801-2650 Kingston Road! This 2+1 bedroom, 2 bathroom condo has had over \$100,000 spent on renovations, and the quality shows throughout. The custom kitchen was designed and built by award-winning Classic Kitchen Designs and features brand-new top-of-the-line LG appliances with Wi-Fi connectivity, plenty of storage and beautiful finishes. High-end hardwood flooring runs throughout the home, giving the space a warm and upscale feel. The open living and dining area gets tons of natural light and offers great views from the 8th floor. The den is a great bonus space that can easily work as a home office, guest room or extra living area, and both bathrooms have been completely updated. Parking and a locker are included. Located just minutes from Guildwood, Guildwood GO, the waterfront, parks, trails, shopping and everyday amenities. This isn't your typical condo renovation real thought and money went into the finishes, materials and workmanship, making it completely move-in ready. *Some photos have been virtually staged.
