ABOUT THIS PROPERTY

Some of Toronto's most remarkable addresses are the ones the city hasn't fully discovered yet. Along the eastern shoreline, the Scarborough Bluffs rise dramatically from the water, creating a backdrop that feels more like cottage country than Toronto. Welcome to Cliffcrest - a quiet pocket of custom homes tucked between the Bluffs and Kingston Road, where breathtaking scenery and big-city convenience share the same space. At the foot of Brimley Road, Bluffer's Park & Beach offers the only sandy beach along the Bluffs shoreline, plus a marina, trails and waterfront access. Nearby Rosetta McClain Gardens offers beautiful gardens and lake views, while Guild Park & Gardens features forest trails, sculptures and historic architectural pieces. Welcome to 4 Drake Crescent - a luxury residence with unobstructed lake views and over 4,800 sq ft of total living space. Featuring 10' main-floor ceilings, 9' ceilings upstairs and below, engineered oak flooring, spray foam insulation and custom lighting throughout. The chef-inspired kitchen features quartz countertops, upgraded appliances, built-in coffee maker, convection microwave and wine fridge. The family room offers custom millwork, gas fireplace and walk-out to a balcony overlooking the backyard and lake. Upstairs features 4 spacious bedrooms, including a luxurious primary retreat with private lake-view terrace, custom walk-in closet, vanity room and spa-inspired 6-piece ensuite with Toto electronic bidet toilet and heated floors. All full bathrooms feature heated floors. The finished lower level offers 9' ceilings, gym, office, guest bedroom, rec room, electric fireplace, entertainment system, wet bar, wine fridge, walk-up access, 8-person sauna and 4-piece bath. Additional highlights include custom foyer storage, side entrance, fully fenced backyard with hardscaped patio and room for a pool, 1-car garage with workshop, 4 driveway parking spaces and upgraded 1" water service. Cottage-country living, just minutes from the city.
