ABOUT THIS PROPERTY

Step into this exceptionally spacious townhouse in Toronto's east end, close to the Beaches, where sunlight fills every corner. With 4 levels, 3 bedrooms, 3 bathrooms and a built-in garage, this home blends modern design, comfort and urban sophistication. The open-concept main floor connects the living, dining and kitchen areas beautifully. The contemporary kitchen features stainless steel appliances, a custom backsplash and a breakfast bar. Floor-to-ceiling windows and a Juliette balcony create a bright, airy atmosphere, while rich hardwood flooring adds warmth throughout. The second level offers two generously sized bedrooms with closets and a 3-piece bathroom-ideal for family, guests or a home office. Occupying the entire upper floor, the primary suite is a private retreat with a walk-in closet and spacious 5-piece ensuite. Above it all, a spectacular rooftop terrace with a gazebo, patio area and sweeping city views provides the perfect setting for morning coffee, entertaining or relaxing beneath open skies. The lower level includes garage access and a convenient 2-piece powder room. Located in the vibrant Gerrard and Main neighborhood, you're steps from TTC bus routes and walking distance to Main Street Subway and Danforth GO.
