ABOUT THIS PROPERTY

This exceptionally spacious 2-bedroom, 1-bathroom condo unit has been professionally painted throughout in a clean, modern palette, offering a crisp and inviting atmosphere from the moment you step inside. Enjoy an oversized open-concept living and dining area bathed in natural light, featuring floor-to-ceiling windows and sweeping views of the surrounding neighborhood. The practical layout offers plenty of functional room for full-sized furniture and a complete dining setup. Both bedrooms are generously sized-far larger than modern downtown builds-easily accommodating queen or king-sized beds with room to spare for a dedicated work-from-home office space. The functional kitchen comes equipped with full-sized appliances and ample storage, making meal prep a breeze. Storage locker and underground parking available (additional charges apply). Included utilities are heat, hydro, water and basic cable. AC is not provided but the tenant may install their own AC if they wish, at no additional charge, subject to condo rules regarding AC installation and use.
