ABOUT THIS PROPERTY

Welcome to a residence that pairs the ease of condo living with room to truly spread out. This beautifully refined layout anchored by a well-appointed kitchen, plus a den flexible enough to become a third bedroom, a quiet home office, or extra living space.Sunlight pours through the suite all day, and the generous balcony stretches the living space outdoors, offering open views that turn morning coffee, evenings with friends, and sunsets into everyday occasions.Practical extras set this suite apart: two parking spaces, a private locker, and a large ensuite laundry room - comforts that are getting harder to secure in today's condo market.The Monterey rounds out the lifestyle with an outstanding amenity collection: tennis, squash and pickleball courts, an indoor pool, sauna, library, games room, and a large, fully equipped fitness centre. Outside, manicured grounds invite a morning walk, a quiet afternoon with a book, or a barbecue gathering with family and friends.Spacious, updated, and wrapped in views - a home that delivers house-sized comfort without giving up the convenience of condominium life.
