ABOUT THIS PROPERTY

Welcome to The Windsor by Monarch, a condominium residence at Finch and McCowan with a welcoming lobby and a wide range of amenities. Enjoy an indoor pool, fitness room, sauna, tennis court and shared recreation spaces, with shopping, restaurants and public transit conveniently nearby. This bright one-bedroom, one-bathroom suite offers approximately 698 sq. ft. (MPAC) of functional living space. Fresh paint and new flooring give the interior a clean, updated feel. Large windows brighten the combined living and dining area, while the glass-enclosed solarium offers a versatile space for a home office, reading nook or hobby area. Sliding glass doors connect the solarium to the main living space while allowing it to be used separately. The kitchen features white cabinetry, a double sink and a convenient pass-through to the living area. The bedroom includes a large window and mirrored closet doors. A four-piece bathroom, in-suite laundry and one garage parking space complete the package. Some photographs are virtually staged. Room dimensions are approximate, referenced from unit 1113.
