ABOUT THIS PROPERTY

Bright, Beautifully Renovated 1 Bed, 1 Bath Upper Unit in East York. Welcome to the upper unit of a fully detached house at 1 Inwood in East York, a one bedroom, one bathroom home on a quiet street with lovely neighbours. This is a high-end renovation with a gorgeous layout, beautifully done from top to bottom and truly a must-see. Everything is brand new, including the flooring, windows and appliances, with a modern kitchen featuring quartz counters, a breakfast island and stainless steel appliances, plus stacked in-suite laundry, pot lights throughout and a sleek bathroom with a glass-enclosed shower. You'll also have access to the shared backyard, which is split with the basement tenant. The location is a 5 to 10 minute walk to both Donland and Greenwood stations, with cafés, restaurants and shops nearby. Includes all utilities and Wi-Fi except hydro, which is split 33% (one-third) for this unit. There's no on-site parking, but street parking is easy to get through the City of Toronto, and a permit runs about $200 for six months. Couples, students and single renters are all welcome.
