ABOUT THIS PROPERTY

Industrial facility with a functional loading design featuring a cross-dock section strategically positioned within a highly established industrial node, offering exceptional connectivity and operational efficiency. Located in close proximity to Toronto Pearson International Airport and Highway 407 and 427, the property provides immediate access to global air cargo routes, while seamless connections to Highways 401 and 410 enable efficient regional distribution. The surrounding area benefits from a deep, skilled labour pool, supporting logistics and warehousing operations and scale. With a heavy dock door ratio, and a clear height of 29'10", the facility accommodates a variety of users, making it an ideal solution for modern, high-throughput distribution needs. Outside storage for trailer parking can be made available. Building is currently undergoing improvements to meet operational standards. Short term deals preferred.
