ABOUT THIS PROPERTY

The air feels different on the 61st floor, and so does life. This 1-bedroom plus tech nook suite pairs 10-foot ceilings with dazzling lake, city and CN Tower views. Morning coffee comes with a sunrise on the private balcony, while the sleek kitchen with quartz counters and Miele appliances is ready when dinner calls. Then there is Eau du Soleil itself. Think saltwater pool, gym, yoga studio, rooftop terrace, two theatres and the exclusive Penthouse Sky Lounge. Your VIP perks continue with dedicated high-speed elevators, underground parking, a storage locker, private temperature-controlled wine and humidor lockers, plus your own garden unit for herbs, flowers or a very ambitious tomato plant. Steps from the waterfront and minutes from downtown, this is not just condo living. It is the suite life.
