ABOUT THIS PROPERTY

A private 44 sq ft dressing room at 258 Wallace Ave, a character employment building in the Junction Triangle that has long housed photographers, film and production crews, and creative professionals. Unit 10 measures approximately 6'10" x 6'6" and comes with a built-in vanity counter, mirror and vanity lighting, a ready-made room for a makeup artist, hair stylist, lash or brow technician, stylist, or a production company that needs a dedicated wardrobe and makeup space, and it works equally well as a lockable equipment room. One flat gross monthly rent with no additional rent, flexible 12 to 60 month terms, 24 hour access, common washrooms, and a common freight elevator. E2 employment zoning permits artist, production and performing arts studios, offices, service shops and software development. A short walk to Lansdowne Station on Line 2, with Dundas West Station, Bloor GO and UP Express minutes away. Eight additional rooms are available in the building, from 44 to 131 sq ft, so a growing practice can add space without moving. Vacant and available on 30 days notice.
