ABOUT THIS PROPERTY

Sun-Filled 2 Bed + Den in the Heart of the City! Welcome home to this bright, south-facing 2 bedroom plus den suite, offering 900 sq ft of thoughtfully designed living space. Soaring 9 ft ceilings and floor to ceiling windows flood the unit with natural light, setting the stage for an open concept living, dining and kitchen area that's made for entertaining as much as everyday living. The gourmet kitchen is a true showpiece, with granite countertops, a breakfast bar and stainless steel appliances including a French door fridge and built in microwave. Retreat to the primary bedroom, complete with a walk in closet and a spa inspired ensuite featuring a soaking tub. The second bedroom is equally impressive, with its own full bathroom and an oversized, beautifully tiled shower. A versatile den rounds out the layout, ready to become your home office, yoga studio or reading nook. Step outside to your private balcony, or head downstairs to enjoy full building amenities: a party room, outdoor terrace, fully equipped gym and sparkling pool. In unit, full size laundry adds everyday convenience, while one owned parking space and a storage locker complete this move in ready package.
