ABOUT THIS PROPERTY

Timeless Tudor elegance meets modern luxury in the heart of sought-after Sunnylea. With a completely renovated exterior and a major interior transformation, this exceptional residence offers high-end living just steps from Bloor Street, the subway, and the charming shops and restaurants of The Kingsway. The exterior has been completely reimaged with all-new stucco and refined Tudor styling, making it virtually brand new. A new front entrance and substantial custom door make a grand first impression. Professional landscaping with side pathways, a private driveway for four cars, and a custom side shed with roll-up door that discreetly stores tools and bins. A side entrance opens to a brand-new mudroom. The 120-foot-deep lot is a rare find. The landscaped backyard is a private, year-round retreat with mature trees, a new fence, a new deck, irrigation, lighting, and an entertaining area. Inside, extensive 2022 updates include high-end Pella windows, repositioned windows and sliding doors, pot lighting, all-new mechanicals, an oversized owned hot water heater, and refreshed bathrooms. The kitchen features refreshed cabinetry with new pull-out drawers, plus an eat-in nook with bench seating in the bright addition with large windows and power blinds. Custom cabinetry and storage abound. The spacious primary bedroom boasts vaulted ceilings, an enlarged window, a sitting area, secondary HVAC, and a walk-through custom closet behind the bed with entrances on both sides. The inviting 2024 lower level showcases custom cabinetry with abundant storage and a clean, modern design. It offers a bedroom, office, or gym with Murphy bed, a new bathroom with shower, and a large laundry room with counters, sink, and folding space. Walk to top schools, the subway, and Bloor Street. Highways are close, and downtown Toronto is a quick commute by subway or car.
