ABOUT THIS PROPERTY

Bloor West Village Beauty! A rare 3+1 bedroom 1930s home offering remarkable space and flexibility on an impressive 39-ft-wide lot. Beautifully preserved original details blend with a generous floor plan offering 2,075 sq. ft. above grade plus an additional 1,135 sq. ft. lower level. A gracious entrance opens to an expansive living room with working fireplace, hardwood floors and leaded-glass bay window. The dining room features original wainscotting and in a charming nod to the home's heritage, the original swing door to the kitchen, while French doors open to the family room. The exceptional main floor also offers a bedroom, washroom and separate den, providing flexibility for guests, working from home or convenient one-level living. The updated kitchen walks out to a deck and lush private garden. Upstairs, two exceptionally spacious bedrooms feature charming curved ceilings, generous closets and a 4-piece bath. The surprise is downstairs: a high-ceilinged 1,135 sq. ft. lower level with a substantial living area, fireplace, bedroom, washroom and separate entrance directly to the garden and sheltered patio. Ideal for a nanny suite, guest retreat, extended family or fabulous entertainment space. With 3+1 bedrooms, 3 washrooms, 2 fireplaces, 2-car parking and over 3,200 sq. ft. of total living space, this is a wonderful alternative to condo living or a character-filled family home with room to grow. Set in Swansea, loved for its strong sense of community and family-friendly lifestyle, steps to Jane Subway, Bloor West Village shops, restaurants, schools, parks and green space.
