ABOUT THIS PROPERTY

BEAUTIFULLY RENOVATED BUNGALOW WITH THREE SELF-CONTAINED LIVING SPACES, IN-LAW POTENTIAL & A 52 X 108 FT CORNER LOT! The renovations are complete, the property is entirely vacant, and the layout offers far more versatility than a traditional bungalow. At 26 Celestine Drive, three distinct living areas, each with its own kitchen and full bathroom, create an opportunity for buyers seeking separate living arrangements within one property. The brick and stone exterior sits on a spacious corner lot with four driveway parking spaces, a fully fenced yard and vehicle access through the side fence. A large Unilock patio with shade sails offers a beautiful setting for summer dinners, while artificial grass keeps the side yard low-maintenance. The updated interior features modern paint tones, pot lights and laminate flooring. The main living area has a spacious living room with a picture window and a renovated white kitchen with quartz countertops, a hexagon tile backsplash and stainless steel appliances. Two bedrooms include a primary with a walk-in closet and private 3-piece ensuite, plus a second full bathroom. The converted garage offers a self-contained studio-style living area with its own kitchen featuring quartz countertops and a full bathroom. A separate walk-up entrance leads to the finished basement, complete with a kitchen featuring quartz countertops, two bedrooms, an office and a 4-piece bathroom. A 21 x 12 ft shed with power and a workbench provides additional storage and workspace. The family-friendly neighbourhood puts multiple schools and Martingrove Gardens Park within walking distance, with a splash pad, playground, tennis and pickleball courts offering recreation close to home. Grocery stores, pharmacies, restaurants and public transit are nearby, while Highway 401 and Toronto Pearson International Airport provide excellent accessibility.
