ABOUT THIS PROPERTY

Character, space and the Junction right outside your door. This spacious 2-bedroom main-floor apartment combines the charm of an older Toronto home with thoughtful updates and the valuable convenience of private driveway parking. Hardwood floors and abundant natural light give the interior a warm, inviting feel, while the bright eat-in kitchen features granite countertops, stainless steel appliances and a beautiful stained-glass detail that adds a little personality you won't find in the average rental. The sizable living room offers plenty of space to relax and opens to a Juliette balcony, while two comfortable bedrooms each feature hardwood floors and large double closets for excellent storage. A full 4-piece bathroom and onsite shared laundry take care of the practical side. A private deck provides a great spot for morning coffee or unwinding at the end of the day, while private driveway parking is a particularly useful bonus in this part of the city. And then there's the location. Walk to the restaurants, cafés, pubs and independent shops that make the Junction one of Toronto's favourite west-end neighbourhoods, with Bloor West Village and Baby Point Village also close by. The subway, GO Transit and UP Express keep you well connected across the city, with convenient access to Lake Shore, the Gardiner and Highway 401 when you're heading farther afield. Spacious, bright and full of character, with parking included, this is a Junction rental that gives you considerably more than the typical apartment.
