ABOUT THIS PROPERTY

Some condos have a view. This one gives you a priceless sunsets too. Perched up on the 19th floor, this spacious 1 bedroom + den has floor to ceiling windows, loads of natural light and some pretty spectacular sweeping views. The open-concept living and dining area gives you functional space to live, and the kitchen has plenty of storage too. And speaking of storage, there's more! A separate laundry room area, a walk-in closet in the bedroom and a den with actual doors. Close them when you're working from home, turn it into a guest room, use it as a dedicated hobby space (podcast room?) The building has plenty to keep you busy too, with A+ amenities. Outside, you're close to grocery stores, parks, restaurants and everyday conveniences. Sherway Gardens is nearby, transit is accessible and the 427 is right there when you need to get across the city or out of town. Sunsets, size and comfort. And A+ Landlords too.
